# PARIS, ON T'AIME

## A SHOW BY THE FRENCH GROUP : DE TEMPS EN TEMPS

Paris, on t'aime : a show that marries dance and comedy, a show full of amazing costumes and sceneries of the city of love and lights. Our show will transport you in the heart of Paris, where you will visit each landmarks as if you were there : Notre Dame, Sacre Cœur, Pigalle, Versailles...and of course, Eiffel Tower.

De Temps en Temps is a French artists troupe. All our members are either dancers, actors, technicians or costume designers. We put our hearts and talents together to create shows that will amaze everybody.

More than 200 000 spectators have already fallen in love with our troupe all over the world. We are passionate artists incurred voluntarily and our next challenge is the American Dream. We want to conquer America with our new show " Paris, on t'aime".

A bientôt !!!

\$1 from every ticket bought will be donated to Fondation de France  
#giveforfrance to help the Paris attacks victims and prevent acts of terrorism.

# Performances

This show was produced for the first time in 2012 at the Colony Theatre in Miami.

They were also invited to perform on the show "El Show" on Mega TV and to open an NBA game at the American Airlines Arena in Miami.

It was a success and in 2014, the troupe was asked to repeat the show in North Miami by the mayor who presented their "key of the town" in gratitude.
